

UCI CHILD CARE SERVICES
IRVINE, CA 92612
(949) 824-2100

Dear Parent,

This is in response to your recent inquiry regarding the UCI Child Care Services wait list. As openings become available in our centers we will contact families from our wait list. A \$50.00 non-refundable fee is required to put your child on the list. Upon entrance to a center, this \$50.00 fee will be credited towards the \$100.00 non-refundable registration fee. The wait list is organized by the date that the fee is received and guarantees your child a place in the programs when an opening becomes available. **Our office will give you two opportunities to accept openings based on your desired dates. If you decide to postpone your enrollment after the office contacts you twice, your name will be taken off the wait list. You will need to resubmit a new application and wait list fee if you would like to join again.** The Children's Center, Infant Toddler Center, and Extended Day Center are currently only available to UCI affiliates. The Early Childhood Education Center is available to both UCI Affiliates and community members. In an effort to streamline our enrollment process, we ask that you give us an accurate desired date needing care, if your plans should change, please contact our office at your earliest convenience so that we can update your file.

Please complete the application on the reverse side of this letter. In order to be placed on our wait list you must send a \$50.00 non-refundable fee with this application. Please send check made payable to UC Regents to:

University of California, Irvine
Child Care Services
Irvine, CA 92697-2250

Sincerely,

UCI Child Care Services Office
